

SPRINGSURE SHOW

28th – 29th May 2022

The Springsure Show Society prides themselves on being one of the oldest Agricultural Shows in Queensland. In the last 157 years the show has grown, from strength to strength, allowing the public to be immersed in the Agricultural industry and all it has to offer. There are many different animals which can be presented at the Show, including: cattle, horses, goats, sheep, dogs & chooks.

If animals aren't your thing, come and immerse yourself in the craftsmanship found in the pavilion or the tasty treats provided by an array of food vendors. Maybe your type of animal belongs in the pet show or perhaps you would like to catch up on some retail therapy in the trade sites? The dodgems cars or hurricane always provide a rush for the adrenaline junkies. No matter who you are the Springsure Show has something for everyone.

What would a sash or rosette add to your life? Looking for a way to be more involved in this wonderful Show? Why not head to our Facebook page and website to read about becoming the 2022 Springsure Showgirl or Rural Ambassador?
